### **PLEASE READ AND UNDERSTAND THE FOLLOWING REGARDING OUR SERVICES:**

#### **Cost for Services**

The price for behind-the-wheel driving lessons are \$65.00 per hour, plus a fuel surcharge which is dictated by the price of gas at the time you sign up for your lessons. This has ranged from 4 to 10 dollars in recent months.

If you plan to be tested by a Kansas Licensing Examiner in our vehicle, there are 3 requirements:

- 1) Our instructor will help in determining when you are ready for the test by a Kansas Licensing Examiner. The instructor must consent before allowing you to use our vehicle for the test.
- 2) There is a minimum of 3 driving hours **before** going for your test at the Licensing Station and being tested by the Kansas Licensing Examiner. The time it takes to be tested will be an additional charge at the same rate. (Most beginning drivers are required to take more than 3 hours before they will be ready to be tested.)
- 3) You will be required to sign an agreement before being tested by the Licensing Examiner that you will indemnify Twin City Driver Education for any loss resulting from your use and/or misuse of the vehicle that occurs while being tested and while our instructor is not in the vehicle.

#### **Cancellation Policy**

Cancellation of a scheduled driving lesson requires eight(8) hours notice to our office prior to the driving time. Failure to properly cancel a lesson will result in a \$20.00 cancellation fee. Please notify our cancellation line at 649-2898. Leave your name, your instructors name, and the date and time of the lesson you wish to cancel.

#### **Inclement Weather**

Bad weather is not a good situation to teach a beginning driver. If bad weather is in the area, check our website at **[www.twincitydrivered.com](http://www.twincitydrivered.com)**, to see if we have canceled. We will also make every effort to notify you personally prior to your lesson if we are canceling.

**A \$20.00 deposit is required before training can begin. Please send a check or money order payable to Twin City Driver Education along with this completed form. In a case where there has been a cancellation charge, the deposit will go toward the cancellation. As long as there have been no lessons improperly canceled, this amount will be credited toward your last driving time.**

I understand and agree to these policies.

To enroll, complete this form and mail it with your \$20 deposit to the address at the top of this page.
